Re: Sponsorship of Deer Park Town Center Baseball Field Windscreens

I am writing to request your business's important participation as a sponsor of the Deer Park Town Center Baseball Field Windscreen Program. Trustee Joel Rotter of the Village Board oversees the Park and Recreational programs will be coordinating this effort.

The Village of Deer Park currently has eight (8) travel baseball teams holding their home games at the Deer Park Town Center Ball Field for this Spring Season. Their schedule runs from April through the end of June. We also have a Fall League that will run from August through October.

It is our pleasure to invite you to participate in our Windscreen Program. As a sponsor, your company would receive visibility among the visiting teams, their families and the Deer Park community through inclusion of your business's name and logo on the Baseball Field.

Fence signs will be 5 x 8 open mesh vinyl windscreen banners. They will be placed on the outfield fences of our baseball field located at 21880 W. Field Parkway in Deer Park. As this banner is placed in recognition of your sponsorship and is not an advertisement, the banner will indicate that you are a proud sponsor of the Deer Park Town Center Baseball Field.

I have attached a Sponsorship Contract that provides a photo of what the banners typically look like when attached. Your graphics will be used to create the banner. We would be honored to have you support the Deer Park Town Center Baseball Field and the teams playing at this facility.

Trustee Rotter will be contacting you to discuss this opportunity in greater detail. In the meantime, if you have any questions, please feel free to contact Joel at 847-381-2123 or [dptrusteerotter@comcast.net](mailto:dptrusteerotter@comcast.net). I thank you for your time and consideration.
